ADVERTISEMENTS.

PEEL TESTIMONIAL, SALFORD.—TO SCULPTORS, ARCHITECTS, AND OTHERS.—The Committee are desirous of inviting Artists to SUBMIT DESIGNS for the TESTIMONIAL proposed to be erected in the Peel-park, Salford, to the memory of the late Sir Robert Peel, Bart.

The Committee offer no opinion as to the character of the design, preferring to leave that entirely to the judgment of intending competitors, their only object being to obtain a composition as effective and characteristic as the means at their disposal will allow.

The Committee name the 30th of November for the delivery of the designs, and they must be sent to the Town Hall, Salford, addressed to the Honorary Secretaries, accompanied by a sealed letter containing the name and address of the artist, and marked on the outside with a mark corresponding with that attached to the design.

The Committee offer the sum of 50*l.* to the author of such design, if any, which shall be selected. This sum is to include all communication in respect of any future drawings and specifications that may be required as well as the superintendence of the erection of the testimonial. They further offer the sum of 10*l.* for the design which shall be placed the second in merit, and the sum of 5*l.* for the third; the whole of the designs to remain the property of the Committee, for the purpose of being permanently placed in the picture gallery of the Peel-park Royal Library and Museum; and, before the selection is made or declared, they will be gratuitously exhibited to the public for the space of one month. The Committee reserve to themselves the power of rejecting all the designs sent in, if in their opinion they contain no design worthy the purpose.

The site will be in the open air, within the park, and the total cost of the proposed erection must not exceed 1,200*l.*

Any further information may be obtained on application to the Honorary Secretaries.
